

**Exclusive design. Exceptional performance**

An exclusive design, that will align perfectly into your kitchen. The Cooker Hood is mounted into the ceiling and combined with its exclusive but discreet design it allows your kitchen to be the focal point. Clearing the air in your kitchen efficiently, even in larger kitchens, with a high performance and energy efficient motor.

An exclusive design, that will align perfectly into your kitchen. The Cooker Hood is mounted into the ceiling and combined with its exclusive but discreet design it allows your kitchen to be the focal point. Clearing the air in your kitchen efficiently, even in larger kitchens, with a high performance and energy efficient motor.

**Product Benefits & Features**

**Clean air with less energy**

A strong motor with low-energy consumption means this hood is reliable and efficiently clears away kitchen odours.

- Electronic variable 3+Intensive speed push button control
- Washable aluminium grease filters
- 6 washable metal grease filter
- 61 dB(A) noise level
- Recirculation or ducted\* (part/parts sold separately)
- Recirculation or extraction options
- Variable 3+Intensive speed control
- Extraction mode

**Dimmable LED for the right light**

Task lighting when you're cooking, mood lighting when you're dining. This cooker hood features dimmable LED lights that adapt to align with your kitchen's lighting, allowing the decision of bright lights when cooking or ambient lightning up to you.

**The hands-free hood**

This cooker hood has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. But if you'd rather adjust the fan speed yourself, there are manual controls

**Clean air. Designed to last**

This filter captures and cleans away cooking smells incredibly efficiently to leave kitchens fresh. The longest-lasting disposable filter, it can be washed and reactivated to ensure it maintains its high odour-filtering performance.

**Highest quality hood design**

With its unique design and high quality finish, this premium cooker hood will enhance the look and performance of any modern kitchen. A seamless blend of form and functionality
